UIC

UNDERGRADUATE COMMENCEMENT

DECEMBER 10, 2022

Donald J. Edwards
Chairman of the Board
of Trustees

On behalf of the University of Illinois Board of Trustees, and as a proud alumnus of the U of I System, I am honored to bring greetings and congratulations to the Class of 2022!

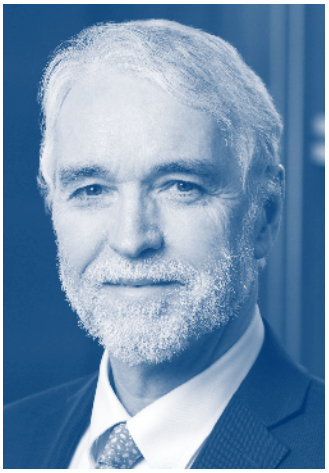
You have been through so much to reach today's milestone, juggling your studies with the historic challenges of a global pandemic. In the process, you have done even more than achieve your dreams. You have also helped make our universities among the safest in our nation—a model for our peers—and I am deeply grateful for your understanding, your cooperation, and your commitment.

Although it has been a few years since I was in the seat you are in today, I still remember the mix of excitement and anxiety I felt, not knowing exactly what the future might hold. That feeling is understandable. But rest assured that the world-class education you received here, in and out of the classroom, has given you the foundation to succeed and flourish.

As you head off to make your mark on the world, know you carry a bond that forever connects you to your years on this remarkable campus. You are joining one of the world's largest alumni networks—nearly 800,000 strong from across the U of I System's three, best-in-class universities. As our alumni have done for over 150 years ago, I hope you will carry our flag with pride. Your successes will carry us forward, adding to the U of I System's global reputation for excellence and attracting the new generations of students who want to follow in your footsteps.

I hope you will come back to campus often—to share your achievements, your experiences, and your insights. And as you are out in the world making it a better place with innovation and hard work, know that all of us you have left behind will continue to be working for you, ensuring that the value and prestige of the degree you worked so hard to earn continues to grow.

Congratulations again, Class of 2022!



Tim Killeen
President

To the Class of 2022, congratulations!

The exploration you have undertaken these past few years at the University of Illinois Chicago and the memories you have gathered along the way have provided you with life-changing experiences and the keys to the door before you that opens onto a world of opportunity.

You have achieved much amid historical challenges that tested you beyond anything you have experienced in a classroom.

At the outset of the COVID-19 pandemic, you adapted and briefly headed home to an unexpected world of online-only learning. But then you did the extraordinary in returning to UIC and, in the process, helped make the University of Illinois System a model for the nation.

Through your vigilance, we have gradually returned to so many of the conventions of normal campus life: in-person classes and labs; study sessions in libraries and elsewhere on your beautiful campus; sporting events and concerts; lunch or dinner—and laughter—with friends.

And now, Commencement, and the well-earned sense of pride and achievement that goes with it.

Your accomplishments and your ability to adapt and innovate, as well as the sense of civic responsibility you have shown during your time at UIC, will serve you well in the years ahead.

But first, take some time today to reflect on the tremendous milestone you have reached and all that you have learned along the way. Today is among the small number of days in life that you will remember as long as you live. Savor every minute. And as you enjoy this moment, be sure to thank those who have supported you along the way.

I am deeply honored to celebrate with you and hope you will return in the future to share your new discoveries and successes.

Congratulations again, Class of 2022!

Javier Reyes
Chancellor (Interim)

Dear 2022 Graduates:

It is an honor to write this letter to you, our graduates, to congratulate you for meeting the demands of your academic careers at the University of Illinois Chicago.

Over the course of your studies at UIC, the world was faced by a pandemic unprecedented in our lifetimes, and you were asked to adapt to a new way of learning nearly overnight. Now, we have returned to a semblance of what was considered the norm with face-to-face interactions and an environment open for the ordinary exchanges that had always been part of our daily lives.

However, the world has indeed changed and so have we all. Rather than reverting back to the expectations of the prepandemic norms, I urge everyone to use the tools of innovation acquired over that period to identify the positive changes we have learned in order to create a new, more inclusive, equitable vision for the future.

Today, we mark the end of this stage of your academic journey. You have reached your goal, and you are here to be recognized. At the end of this ceremony, you will be our newest alumni and the next generation of UIC ambassadors. The entire university community shares my great pride in your hard work and the sacrifices you have made to reach this moment.

I am confident that your future accomplishments will make a difference in people's lives. This is the UIC legacy and it is now part of yours.

Congratulations Class of 2022!

Chancellor Reyes and the faculty and staff of the University of Illinois Chicago welcome you to the fall commencement exercises, recognizing the accomplishments of our undergraduate students.

Antonio M. Romanucci
Founding Partner,
Romanucci Blandin Law

Antonio M. Romanucci has lived his commitment to justice starting with his early work as a Cook County Public Defender to recently being named *Leading Lawyers*' Number One Civil Rights Lawyer and *Chicago Lawyer Magazine*'s 2021 Person of the Year. He was also recognized by *Chicago Magazine* on their "New Power 30" list for his many contributions to the Chicago community. As a founding partner in the Chicago-based trial firm of Romanucci & Blandin, LLC, he has fought fiercely for victims of negligence, abuse, and wrongful death arising from civil rights actions, mass torts class actions, and police misconduct as well as medical malpractice.

Referred to as the architect of the record-breaking and historic civil lawsuit, alongside Ben Crump, against the City of Minneapolis and four of its police officers for the murder of George Floyd, Mr. Romanucci also has a steadfast commitment to fighting for those seeking justice across the country in complex, high profile tort cases, such as the fight against e-cigarette manufacturer JUUL; Boeing for its faulty 737 MAX aircraft; the cancer-causing air pollution caused by Sterigenics International in Willowbrook, Illinois; the MGM Las Vegas Mass Shooting; and most recently the Highland Park, Illinois, mass shooting on the Fourth of July.

Outside the courtroom, Mr. Romanucci participates in many professional and charitable organizations. He was president of Illinois Trial Lawyers Association in 2019–2020 and has held multiple leadership roles for the American Association for Justice, including chair of its National Finance Committee. He is a founding chairman of the Midwest Brain Injury Clubhouse and a founder of the Justinian Society of Lawyers Charitable Endowment Fund, where thousands of dollars annually are awarded to charitable organizations. Often called upon by the media as a legal expert, Mr. Romanucci appears regularly on local and national television to comment on his own cases as well as other high profile legal matters and trends throughout the country.

ACADEMIC DRESS

Academic dress, consisting of cap, gown, and hood, originated about the twelfth century and was worn primarily for warmth. Subsequently, material of the gown and the lining and the shape of the hood represented the economic and social as well as the academic status of the wearer.

In the United States, the great majority of the academic costumes now worn are in accordance with the general provisions of the Intercollegiate Code of 1895, which was revised in 1932 and again in 1960. Under this code the bachelor's gown has pointed sleeves, the master's gown has oblong sleeves with an arc at the bottom, and the doctor's gown has bell-shaped sleeves. All gowns were originally black, although the adoption of colored gowns by individual institutions in the United States is becoming more prevalent.

The bachelor's and master's gowns are untrimmed. The doctor's gown is faced down the front with velvet and has three bars of velvet across the sleeves. The facing and bars may be black or may be the color of the subject to which the degree pertains. Material of the gown and hood for the bachelor's and master's degree is usually of cotton poplin, and for the doctor's degree, of rayon or silk ribbed material. The bachelor's gown is worn closed; the master's and doctor's gowns may be worn open or closed. Women may wear white collars with the bachelor's gown when no hood is worn.

The hoods, which differ in length for the three degrees, are lined with the official colors of the university or college conferring the degree, usually with one color forming a chevron pattern over the other. The bachelor's hood is three feet in length; the master's hood is three and a half feet, and the doctor's hood is four feet long. At the University of Illinois at Chicago the lining of the hoods is flame and indigo. For PhD students, the trim of the hood is indigo. For other doctoral students and for master's students, the velvet trim at the edge of the hood denotes the field of study. UIC graduating seniors do not wear hoods.

The mortarboard cap is standard in the United States. Usually all tassels are black, but where the graduating seniors do not wear a hood, as at the University of Illinois, the color of the cap tassel indicates the type of degree earned. Students receiving a bachelor of arts degree wear white tassels; those receiving a bachelor of science degree wear gold. Doctor's caps may have tassels of gold thread. At the University of Illinois, candidates for degrees wear tassels on the right front quadrant of their caps before degrees are conferred and change them to the left front quadrant after degrees are conferred by the president. Caps are considered a part of the costume.

Gold, silver, and bronze cords worn by some graduating seniors signify the three levels of University Honors. Gold cords signify summa cum laude, silver cords signify magna cum laude, and bronze cords signify cum laude. Gold stoles identify graduates who are members of the Honors College. Red cords distinguish students who have been recognized for service and/or leadership. Some students also wear cords or stoles signifying their membership in campus organizations or activities. The Jewel of Office and gold collar, which is worn by the president, was presented to the university by the University of Illinois Alumni Association. It is emblematic of the Office of the President and is worn at all formal academic ceremonies. On the collar are engraved the names of the presidents of the university and their years of service. Trustees of the university are identified by their blue gowns with blue velvet panels outlined in orange cord.

For all academic purposes, the colors associated with the different subjects are as follows:

Agriculture	Maize
Applied Health Sciences	Green and Gold
Architecture and the Arts	Brown
Business Administration	Royal Blue
Dentistry	Lilac
Economics	Copper
Education	Light Blue
Engineering	Orange
Forestry	Russet
Health Professions Education	Gold
Journalism	Crimson
Law	Purple
Liberal Arts and Sciences	White
Library Science	Lemon
Medicine	Green
Music	Pink
Nursing	Apricot
Oratory (Speech)	Silver Gray
Pharmacy	Olive
Philosophy	Dark Blue
Public Administration	Peacock Blue
Public Health	Salmon
Social Work	Citron
Theology	Scarlet
Urban Planning	Wedgewood Blue
Veterinary Science	Gray

(UIC does not offer all of these degrees; however, faculty and platform party members may hold degrees in these areas.)

This program contains official lists of names of graduates who received degrees in summer 2022 and unofficial lists of names of candidates for fall 2022 graduation. The names of fall 2022 graduates are as accurate as possible. However, due to printing deadlines, the names of some degree recipients may not appear, while names of degree candidates may appear even though they have not completed their degrees. The University of Illinois Chicago's official registry for conferral of degrees is the Office of Admissions and Records.

The following symbols are used in this program:

* **College Honors**

UNIVERSITY HONORS POLICY

The three levels of university honors listed below will appear on UIC transcripts for undergraduate students participating in fall 2022 Commencement ceremonies honoring students who earned degrees summer and fall 2022.

Summa cum Laude ("Highest Praise"): 3.90 and above grade point average

Magna cum Laude ("High Praise"): 3.75 to 3.89

Cum Laude ("Praise"): 3.50 to 3.74

University honors will be awarded solely on grade point average earned at UIC. The determination of university honors for fall 2022 candidates for graduation will be based on grades reported through the end of the term prior to graduation. UIC will make permanent adjustments to the list of students receiving university honors based on final grades.

THE STAR-SPANGLED BANNER

by Francis Scott Key

O say can you see, by the dawn's early light,
What so proudly we hail'd at the twilight's last gleaming,
Whose broad stripes and bright stars through the perilous fight
O'er the ramparts we watch'd were so gallantly streaming?
And the rockets' red glare, the bombs bursting in air,
Gave proof through the night that our flag was still there,
O say does that star-spangled banner yet wave
O'er the land of the free and the home of the brave?
